

THE 1960 *Tomahawk*

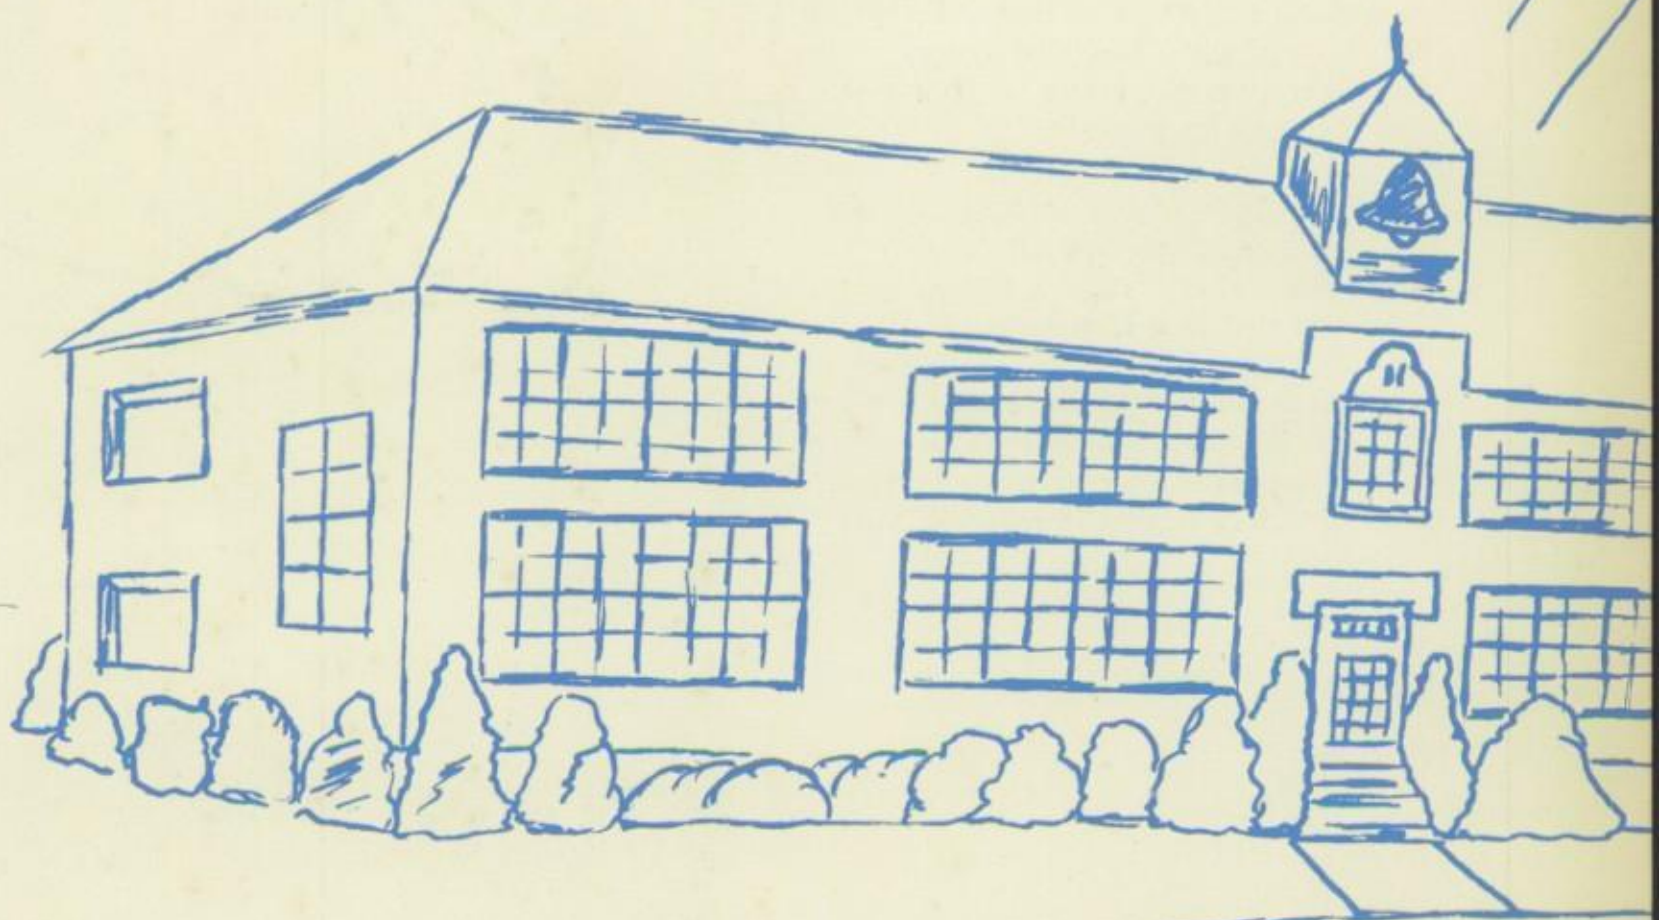

Whenever The School

Vacations are over as schoolbells ring,
The recess yard is fill'd again
As solemn youths their textbooks bring,
New lessons to explain.

Silence reigns at the swimmin' hole,
Cool waters keep flowing on:
In the woodshed hangs a fishin' pole,
The hook an' line are gone.

When classes cease an' study's done
There is heard a gleeful shout,
As out the door the youngsters run,
When teacher says, "School is out!"

Bells Ring

Time passes on, it goes so quick
When there's lessons to be read,
To solve hard problems in 'rithmetic
'For it's time to go to bed.

It's early back to school to go,
Thinking of the swimmin' hole—
Of brooks an' streams where waters flow,
An' the idle fishin' pole.

Fond memories of a past vacation
To a busy mind still cling,
As the heart records a strange sensation
Whene'er the schoolbells ring.

ALTAMAHAW OSSIPPEE PUBLIC SCHOOL

Altamahaw, North Carolina

"The Bells

Foreword

"The bells are ringing" early on a September morning, calling students once again to enter the halls and fill the classrooms at A. O. The sound of the bell brings varied reactions to those who hearken; some answer the sound only half-heartedly, regretting that vacations are ending; others rejoice, looking forward to the pleasure of renewed friendships, seeking to uncover knowledge and the answers to the innumerable questions of youth, striving for goals that are often just out of reach, but worthy of every effort.

Throughout the school year, as bells ring out for classes, tests, study halls, clubs, ballgames, and parties, students grow both physically and mentally.

For thirty-eight years, since its founding in 1922, Altamahaw Ossipee school bells have been a source of pride and joy to the community. We, the staff of the 1960 TOMAHAWK, seek to give to you in the following pages a review of this year and its highlights.

Are Ringing"

Bells Signify Varied Activities

All Physical Education Classes and elementary students find it fun to play on the new all-weather play court.

Miss Joseph points out some vital facts about the English Language as seniors seek extra help in their preparation.

A welcomed bell is one that sounds for "chow line". Few students are ever tardy here.

Steps between the classrooms are well-trod as students step to the "high school shuffle", brought about by the bell to change classes.

For A.O. Students...

Honoring

A. O. students who look back at their elementary school days recall vivid memories of two outstanding teachers. Their willingness to listen, their patience with every small problem, and their ability to direct and mold young minds have endeared them to the hearts of hundreds of boys and girls. Therefore

We Dedicate

the 1960 TOMAHAWK to Mrs. Lois McAdams Bost and Mrs. Gene Brown Cothran who for more than twenty years each have devoted their lives and services teaching the youth of the Altamahaw Ossipee School.

Keepers Of The Bells

School affairs are ably administered by an energetic and farsighted school board and principal whose tireless efforts make A. O. a school of which we are all proud.

Our Student Council represents the entire student body and strives for the betterment of the school by carrying out worth while and challenging projects. Students feel that the council is both their agent of expression in the school and their connection with the administration. In all areas of student activity the council has the full support of the administration.

Planned meetings are held weekly, supervised by an advisor who is enthusiastic about the council's activities and is trained in the philosophy and techniques of student council work. The main objective of the Student Council is to promote leadership and to practice accepted democratic principles and its operation. No happier bell is heard than one heralding the election of a student to an honored position on the council.

 Advisor

Each Tomahawk staff member is in some way responsible for making this, the 1960 Tomahawk, possible. Staff members serve in every capacity—from typist to salesman, in order to produce a year book, which covers practically every activity that has occurred during this year in the Altamahaw-Ossipee School.

Choosing a theme, planning lay-outs, taking pictures, selling ads, typing and putting the final touches to art work and copy keeps the staff busy. The sound of the bell at the close of the period often finds staff members still hard at work.

The Hub

As a means of informing the students as well as the public of the school activities, the students of Altamahaw-Ossipee High School publish a monthly newspaper, the Hub. In addition to keeping us up to date on high school events, it carries a page concerning the happenings in the elementary grades.

Representatives on the Hub staff come from grades seven through twelve and each person has a specific duty to perform in gathering news, preparing it for publication, proofreading copy, and distributing it to students, teachers and alumni of the school. No more welcome bell is heard on the A. O. campus than the one announcing publication of the Hub.

The Monogram Club

To be a member of the Monogram Club, a student must have lettered in a sport and be tapped at one of the two tapping ceremonies during the school year. Those who have lettered in a sport, as manager, or as a cheerleader are eligible for membership, but they must be approved by a two-thirds vote of the club.

The Monogram Club has several projects-operating the school store, assisting in athletic projects, supporting the team in any way possible. The chief aim of the club is upholding the constitution and creed by encouraging better sportsmanship.

Future Farmers Of America

One of the largest clubs in our school, the Future Farmers of America is a national organization of rural boys working together to improve farm and community life through cooperation.

Our local chapter, one of the five in the county, competes with other chapters in contests of crop and livestock judging, shop, public speaking, ritual, Parliamentary procedure, and various other activities.

Chapter members seek to create interest in agriculture. Early each fall "Green Hands" are initiated into membership.

Future Homemakers Of America

Future Homemakers of America have as their motto "Toward New Horizons", which summarizes their purpose: To learn to live better today in order to enrich their lives and the lives of their families in the future. The varied activities they undertake give them valuable experience and training in preparation for their future job as "homemakers." The F.H.A. emblem symbolizes that the homes of the future are in the hands of the youth of today.

Several of the projects include serving suppers, buying equipment for the Home Economics department, planting flowers to beautify the school grounds, and improving the infirmary.

F.H.A. members meet the third Wednesday of every month.

To assist the students who would like to become teachers, the Future Teachers of America Club gives them some practice experience while in high school. Once a year every member is given a chance to practice the knowledge they have acquired through being in this club. Others assist often by substituting for a few hours at the time when teachers have to leave their classes.

Students of the Library Club and the Library Assistants pictured here, enthusiastically serve their school to improve the library and its services to all students. They charge and shelve books, help prepare new books for circulation, mount pictures and clippings and help arrange exhibits.

Thus these students become familiar with library materials and procedures, develop initiative and leadership, improve taste in reading, develop ability to make a critical evaluation of books, and gain confidence as they assume responsibility for helping other students.

Each Tuesday and Thursday a joyful bell sounds forth the call to one of the most outstanding extra-curricular activities of the students- the call to Glee Club. During the year many concerts are given which give the parents, friends, and faculty members an impression of what the Glee Club members have been doing.

Glee Club officers and the secretaries for each section serve ably in checking attendance, planning outings and taking care of music.

Hi-Y

Added to our extra curricular activities this year are two new clubs, the Hi-Y and Tri-Hi-Y. The former is a boys' club and the latter a girls' club.

The purpose of the Hi-Y is to create, maintain, and extend throughout the school and community the highest standards of Christian character.

These clubs are affiliated with the YMCA and YWCA. The members are free to use the facilities of the local "Y" and boys will participate in league sports.

Several beneficial projects are promoted to help the school and the club.

Doris Haizlip
Queen of May

Bells ringing in May herald the festive day for the crowning of the May King and Queen, who reign over a court of beautiful girls and handsome young men elected by their classmates. On this occasion students in the elementary school present a pageant in song and dance, culminating a year's work in Music and Physical Education.

Day

Candidates for May Queen and King are nominated by the senior class and elected by vote of the student body. The runner-up becomes maid of honor; the queen chooses and honor attendant; and each high school class elects attendants. Mascots are selected by the senior class.

Banquet Memories

1959's Junior-Senior Banquet setting "An Evening In Paris" provided a joyful occasion for students as the Class of 1960 honored the Class of 1959.

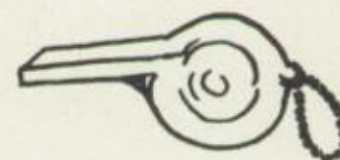

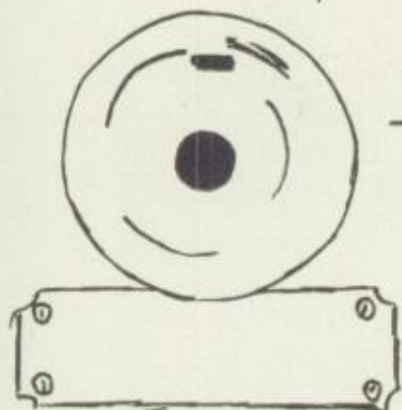

Marshals

Nancy Peebles, Brenda Moore, Eloise Apple, Eddie Hopkins, Marion Underwood

Students maintaining high scholastic averages and ranking in the top five of the Junior class are given special recognition by being selected as marshals. They are responsible for seating guests on various occasions including plays, programs, May Day, graduation exercises and practically every outstanding school event. These students are leaders in their class scholastically and serve the school well in their capacity as marshals.

First row, left to right: Donnie Miles, Hooper Harris, Larry Whitt, Tommy Newnam. Second row, Howard Iseley, Marion Underwood, Conrad Beckom, Nicky Thommason, Leonard Haizlip, Danny Miles, Marvin Petterson. Third row, Tommy Patterson, Phil Faucette, Rhonnie Hensley, Charles Hensley, Bobby Redman, Don Woody.

Four wins, four losses, and a tie was the result of our 1959 baseball season. Coach Charles Padgett's sluggers were mostly inexperienced and made a good showing for beginners. Many of them expect to return to our 1960 squad and prove their worth at bat and in the field.

Cheerleaders

Heartiest supporters of the A. O. athletic teams are the cheerleaders, whose never-tiring voices sound the loudest bells heard on the campus. Cheerleaders are chosen by vote of the student body and lead other students enthusiastically through basketball and football seasons. Theirs is a valuable contribution to the school.

Alma Mater

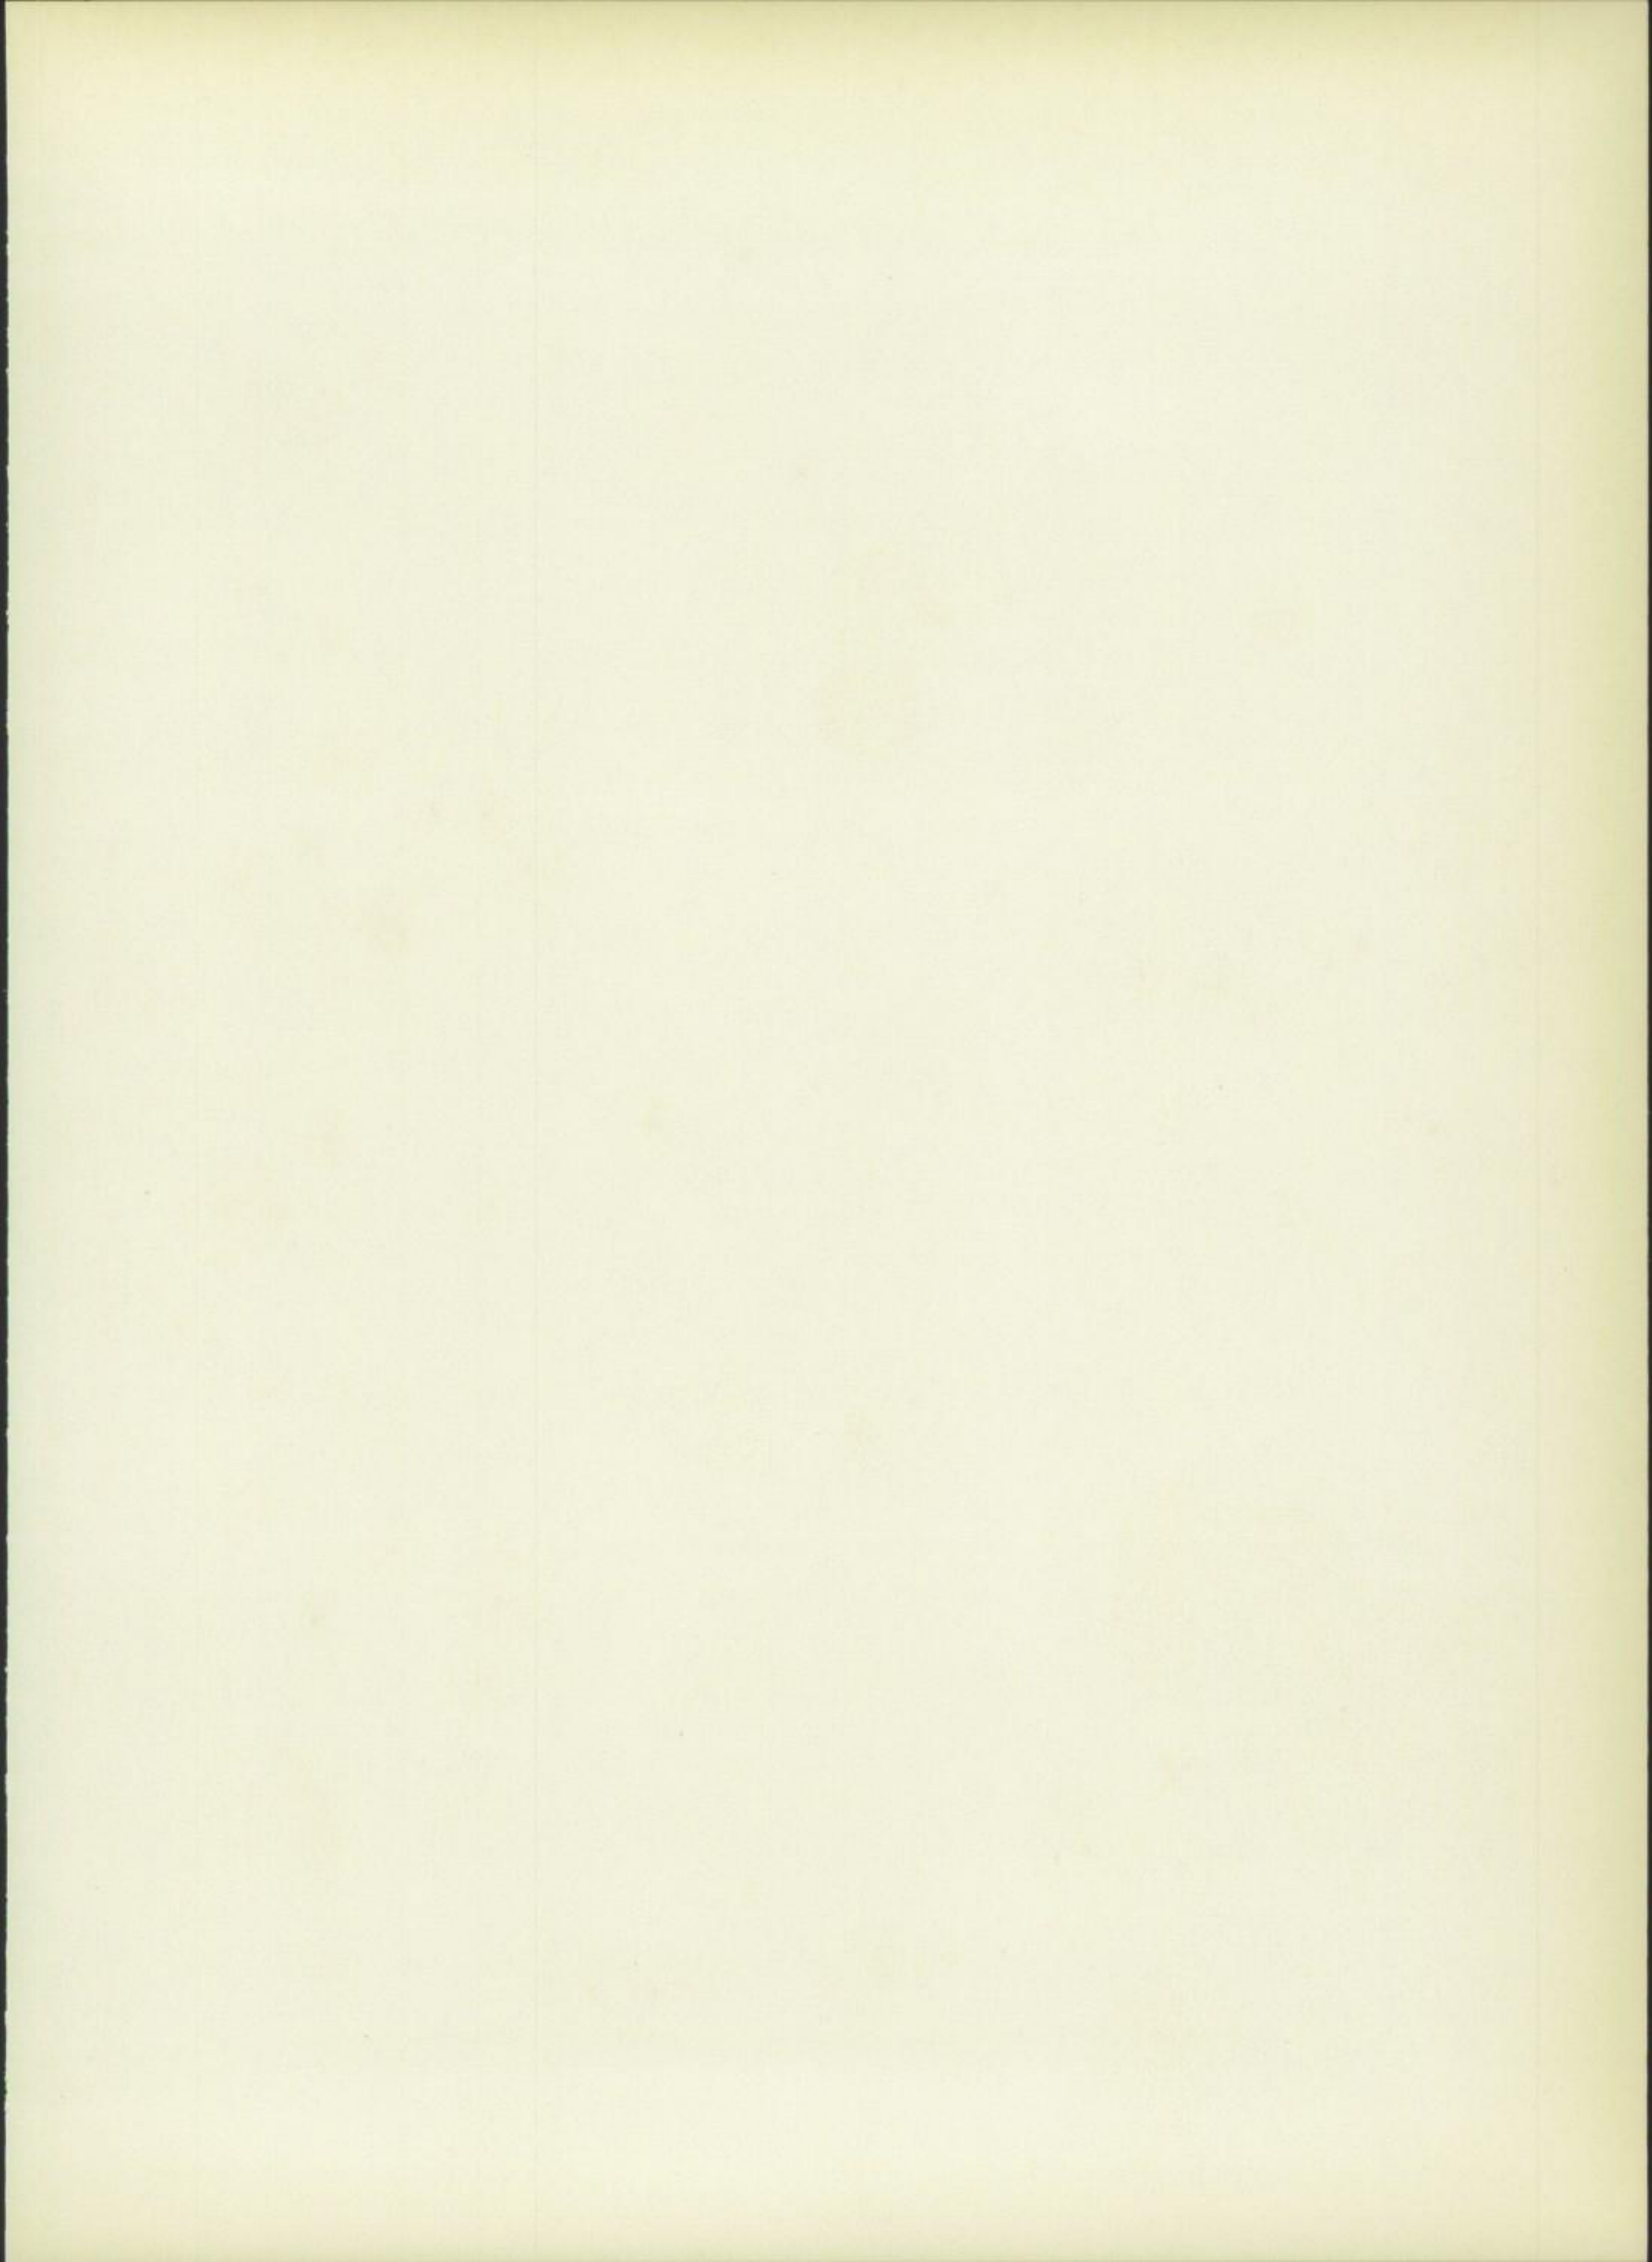

Hundreds of students and graduates look with pride on this school. It has served as a community center as well as an educational institution since 1922 and will continue to be a landmark where bells ring out a welcome to all who pass this way.

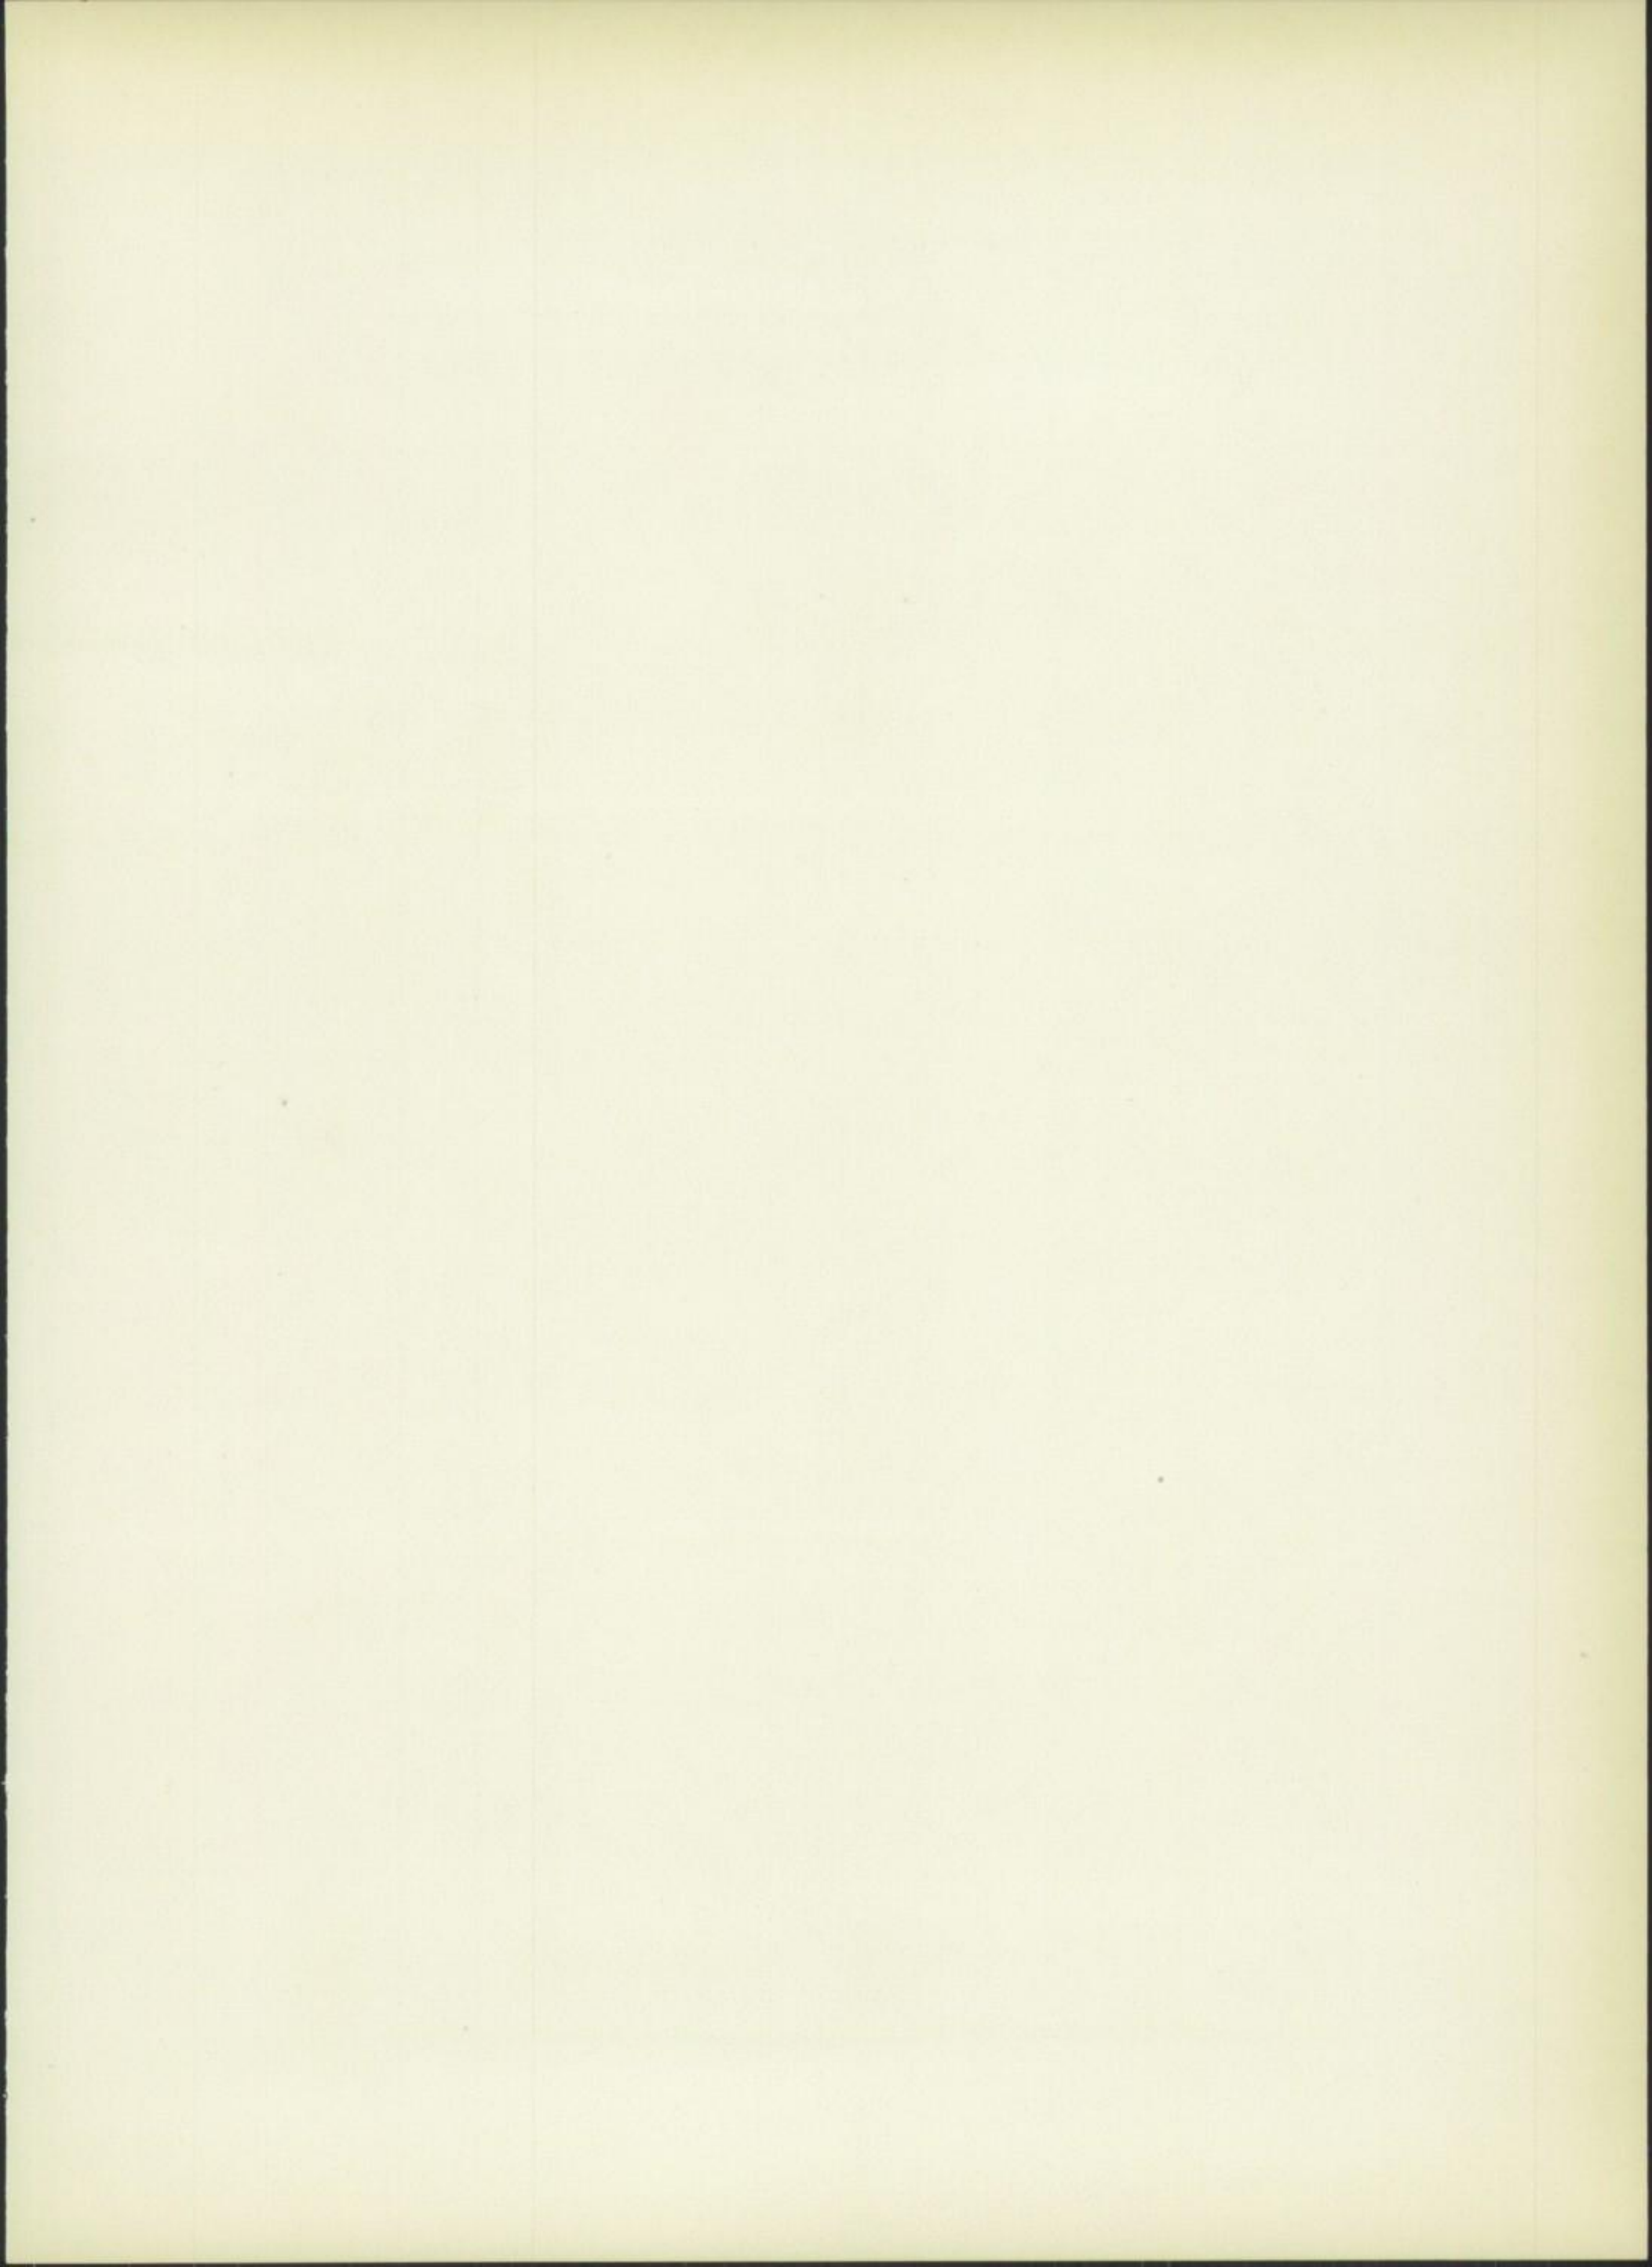

Through the years as the ringing of bells in September calls boys and girls to school, may this yearbook serve to bring you vivid memories of the year 1959-60. Reliving glorious moments can keep you young in heart forever; one day you may even want to go swimming when the bell's of May announce that its vacation time.

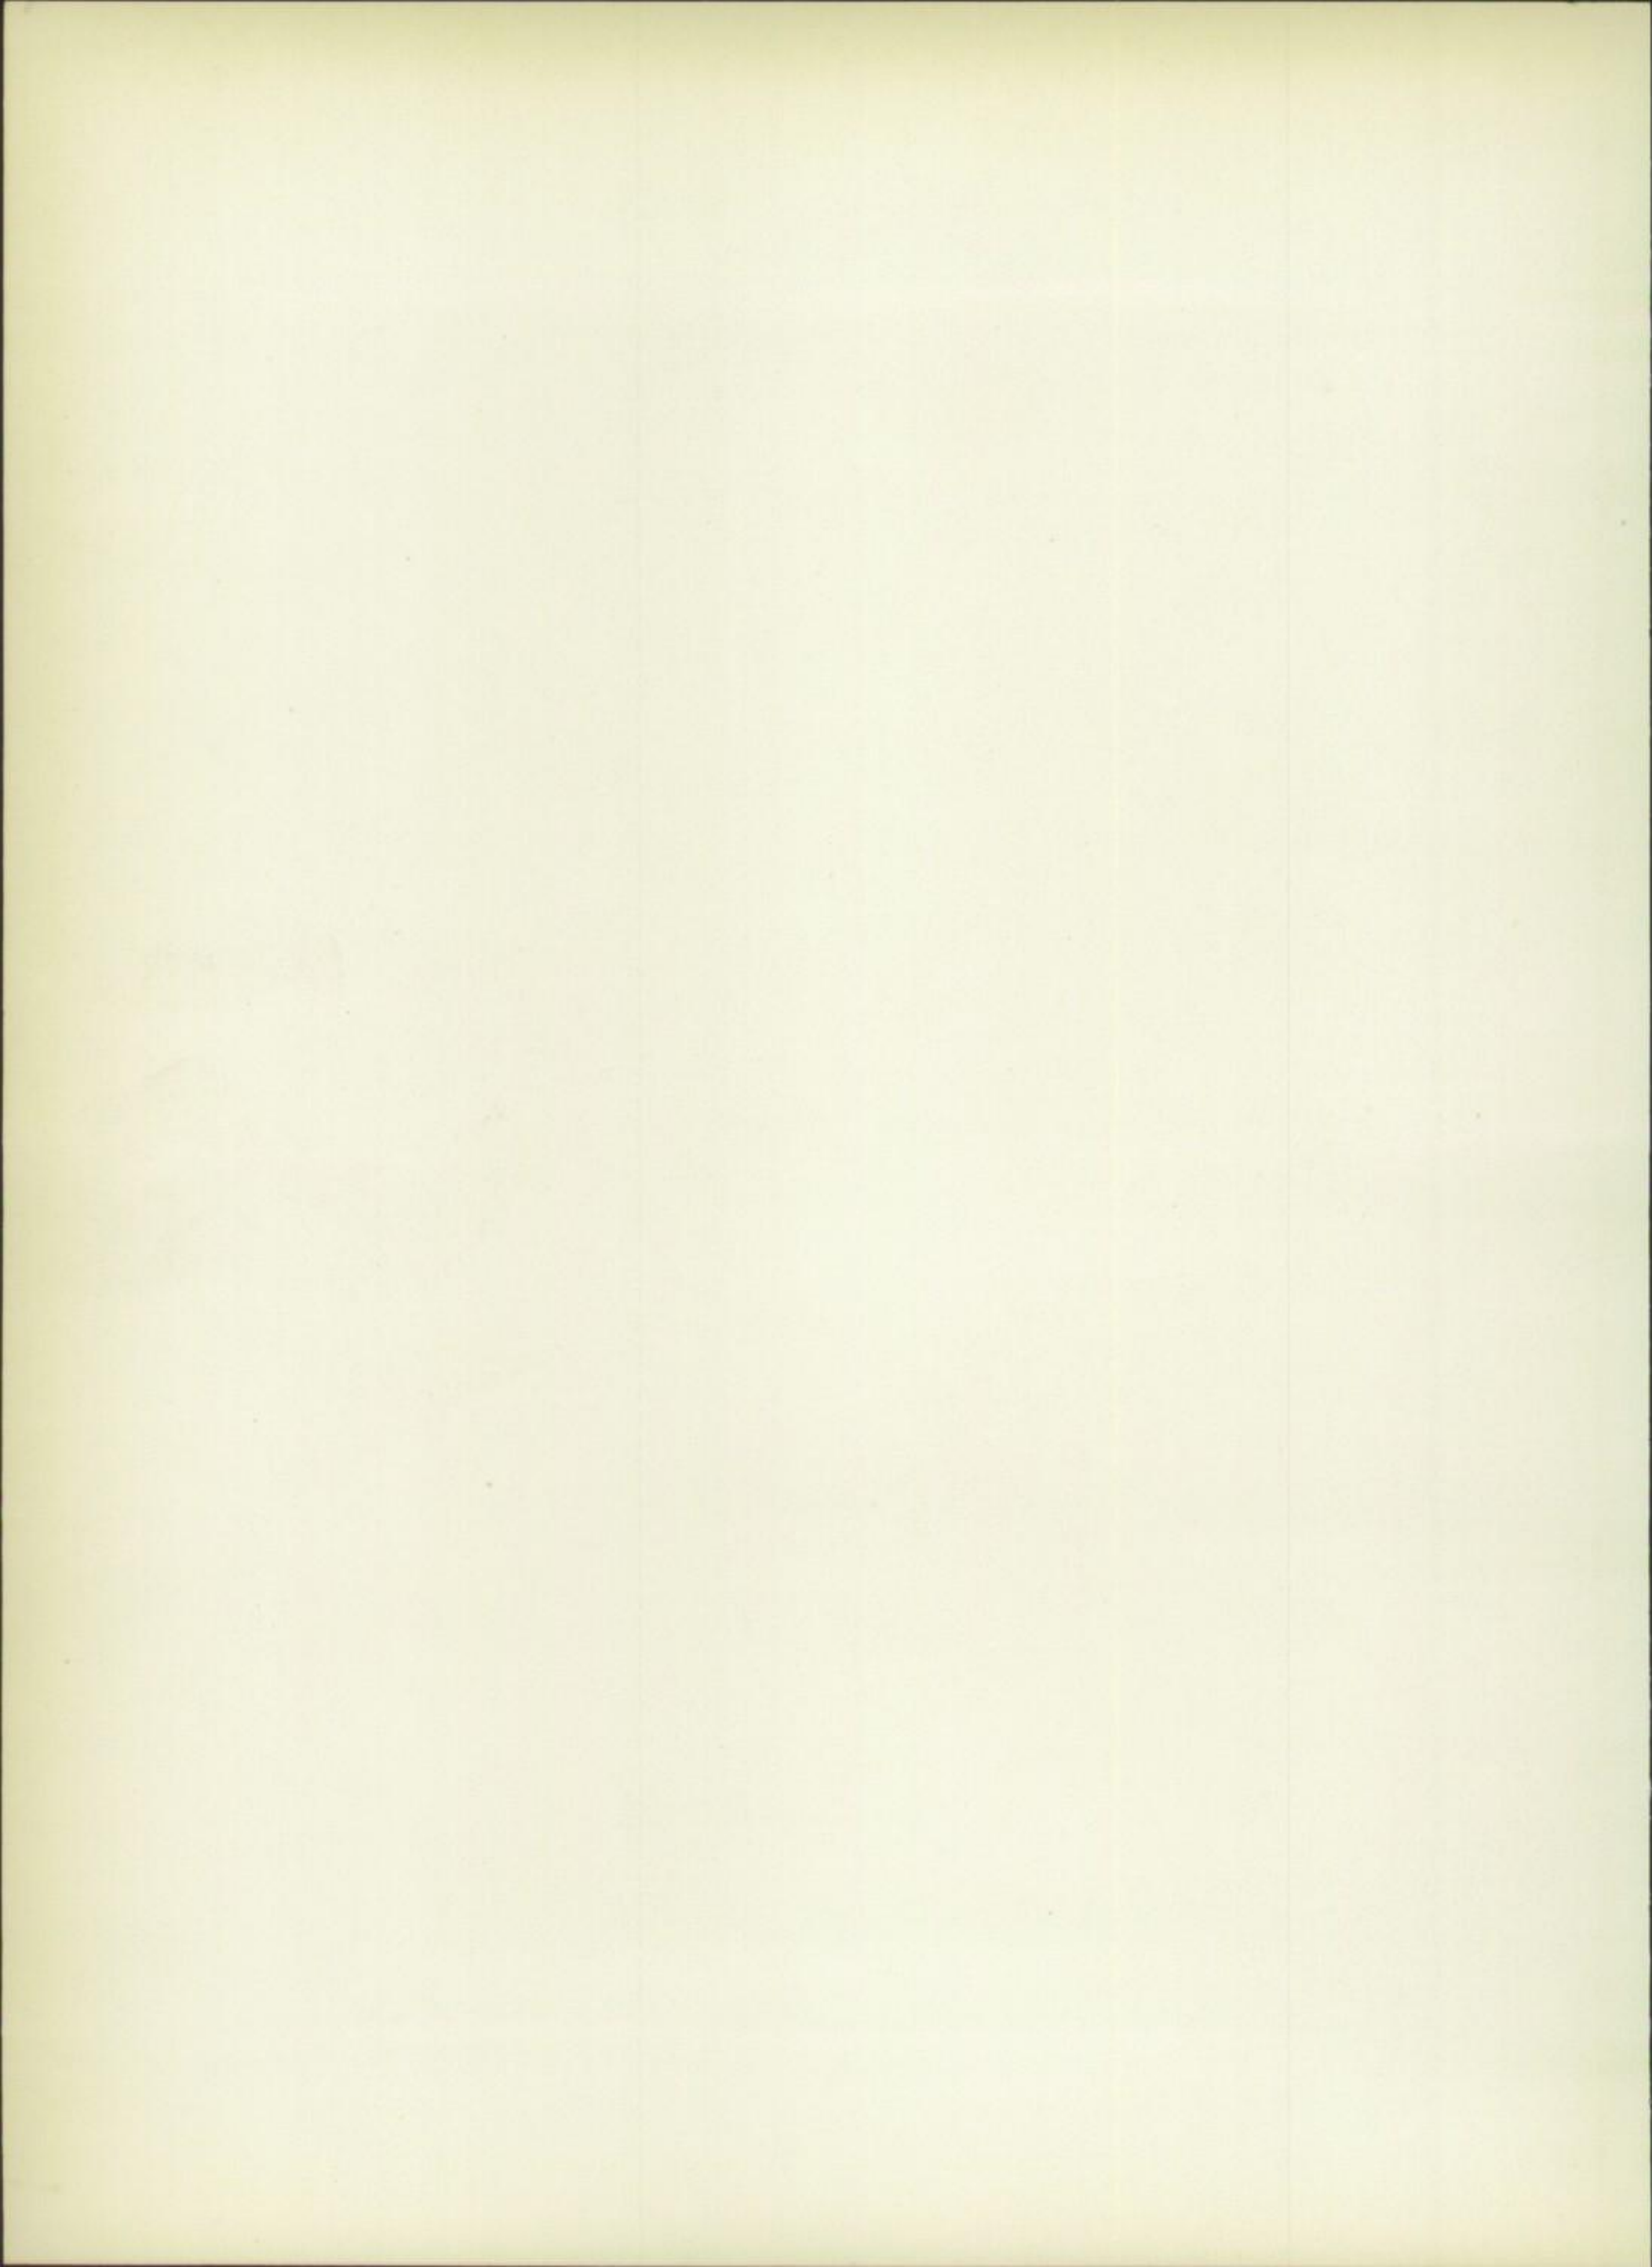

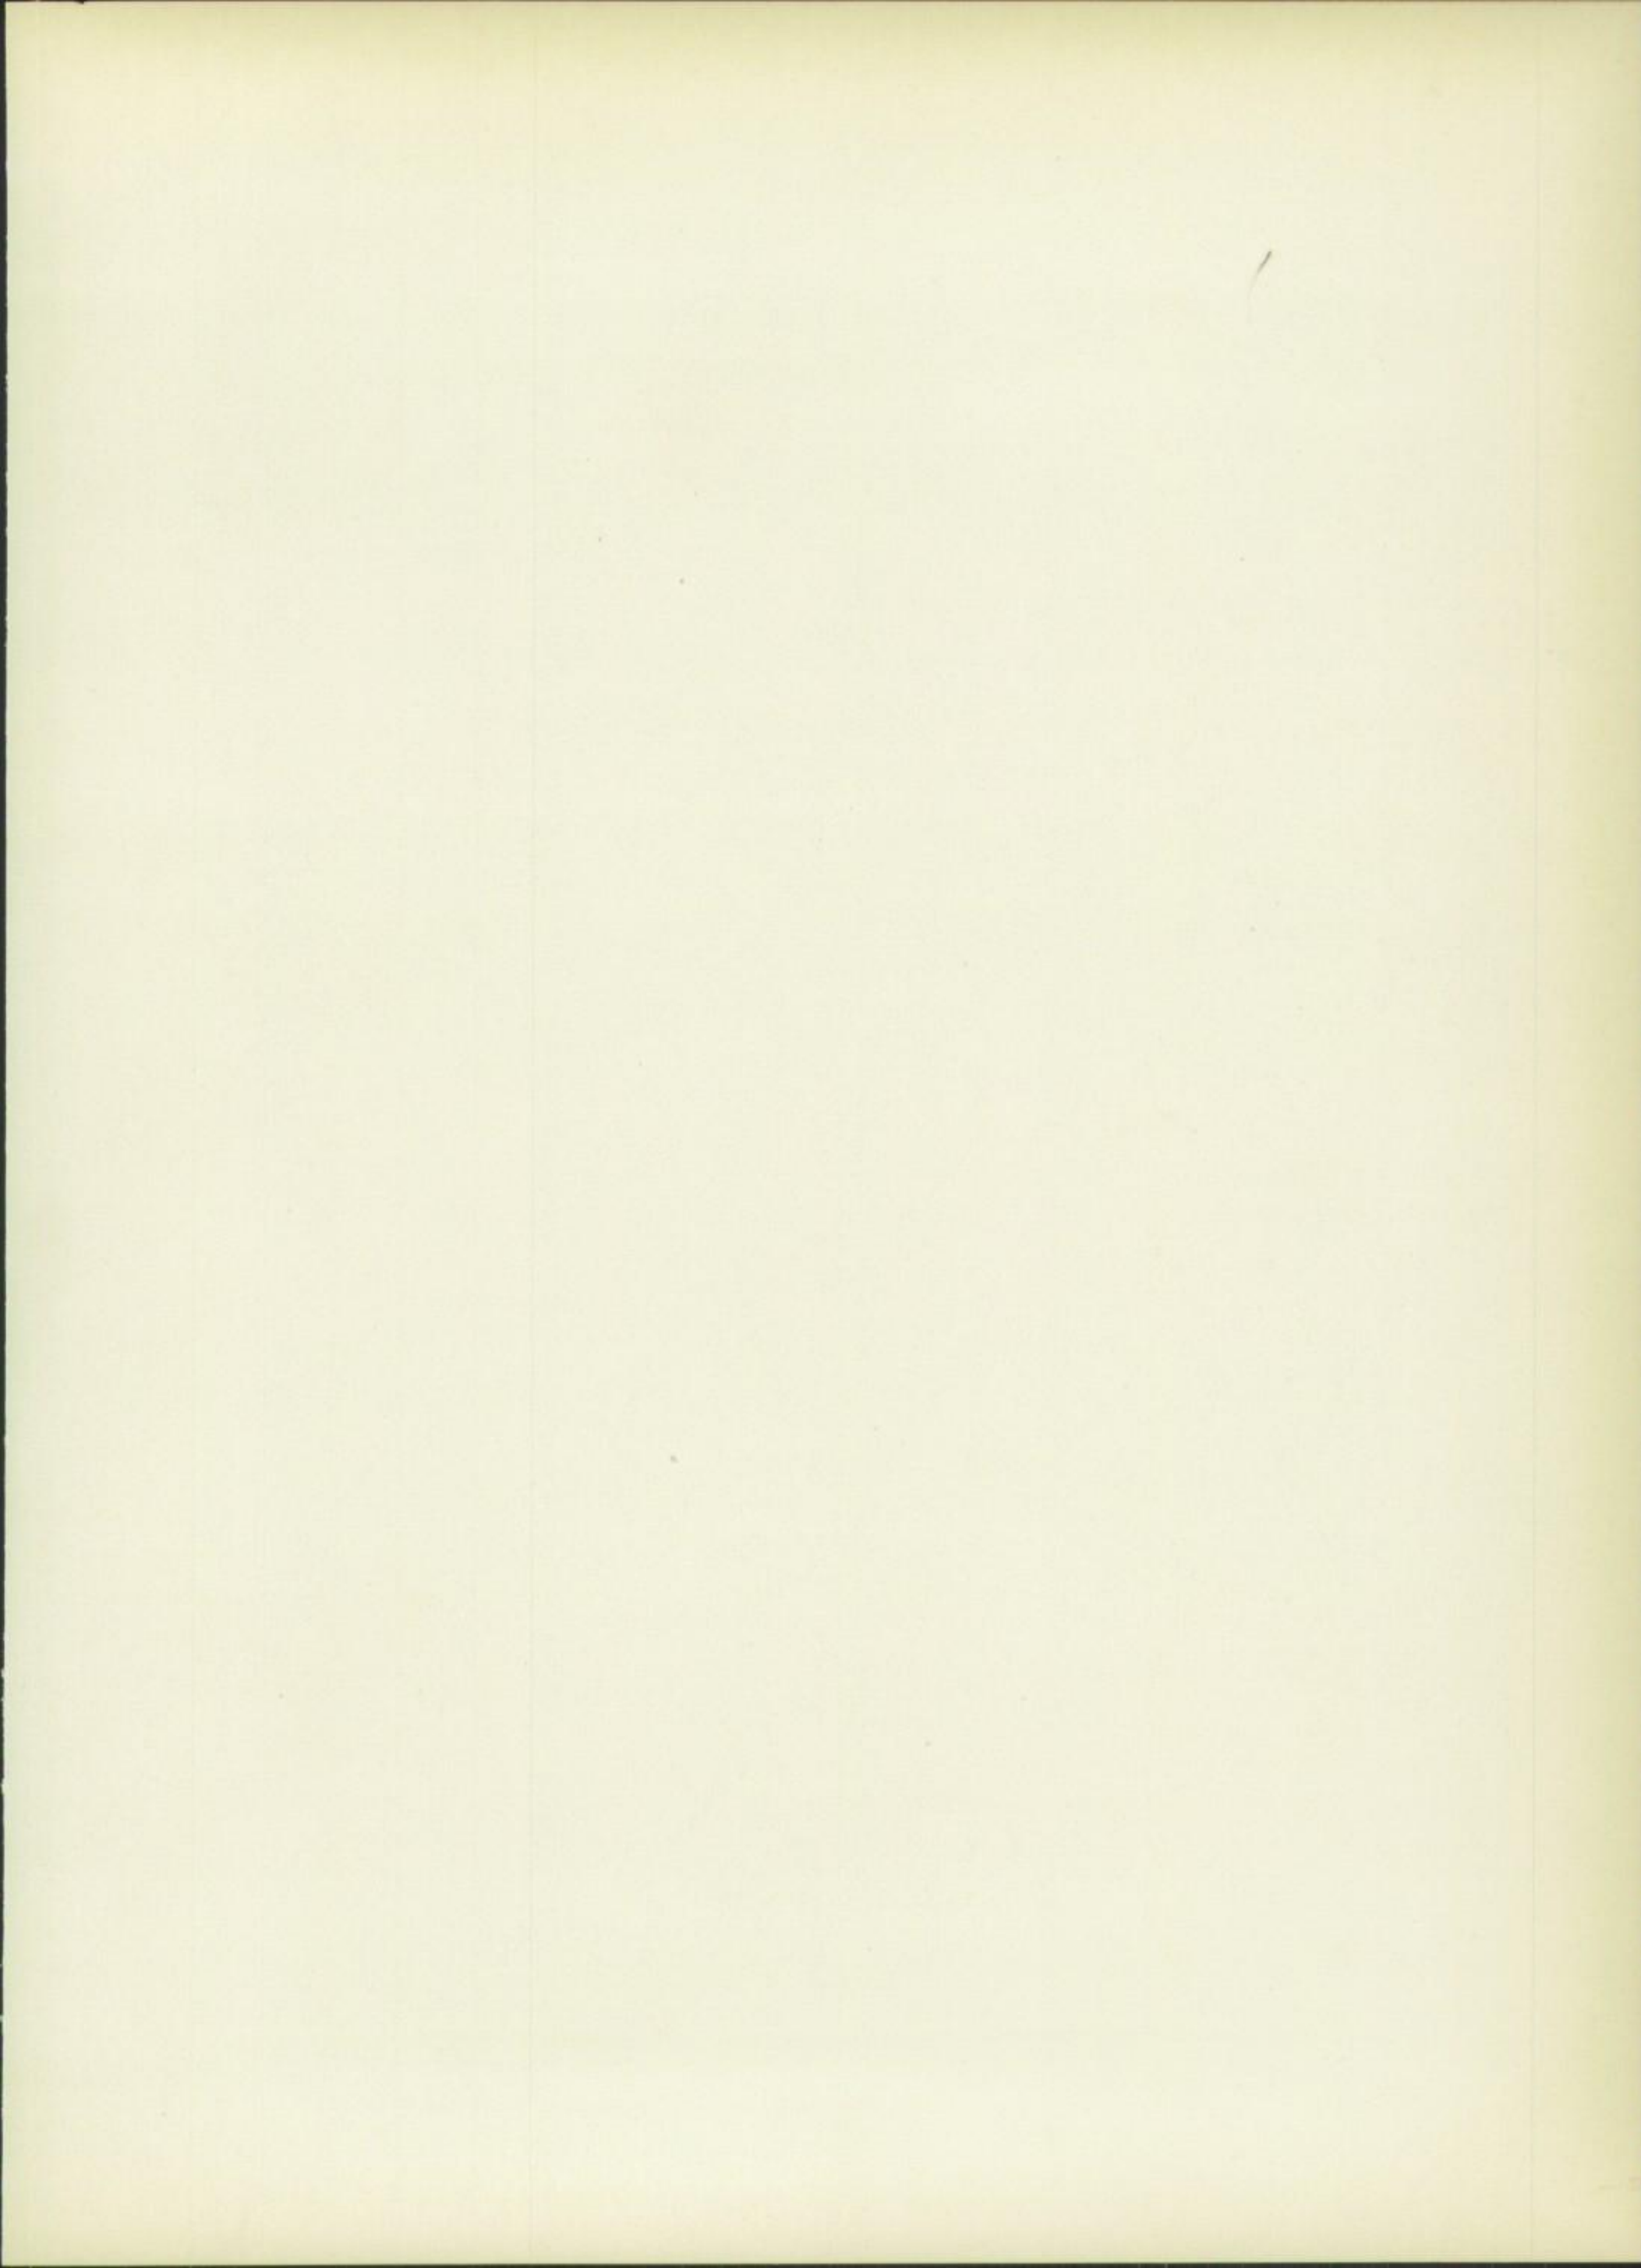

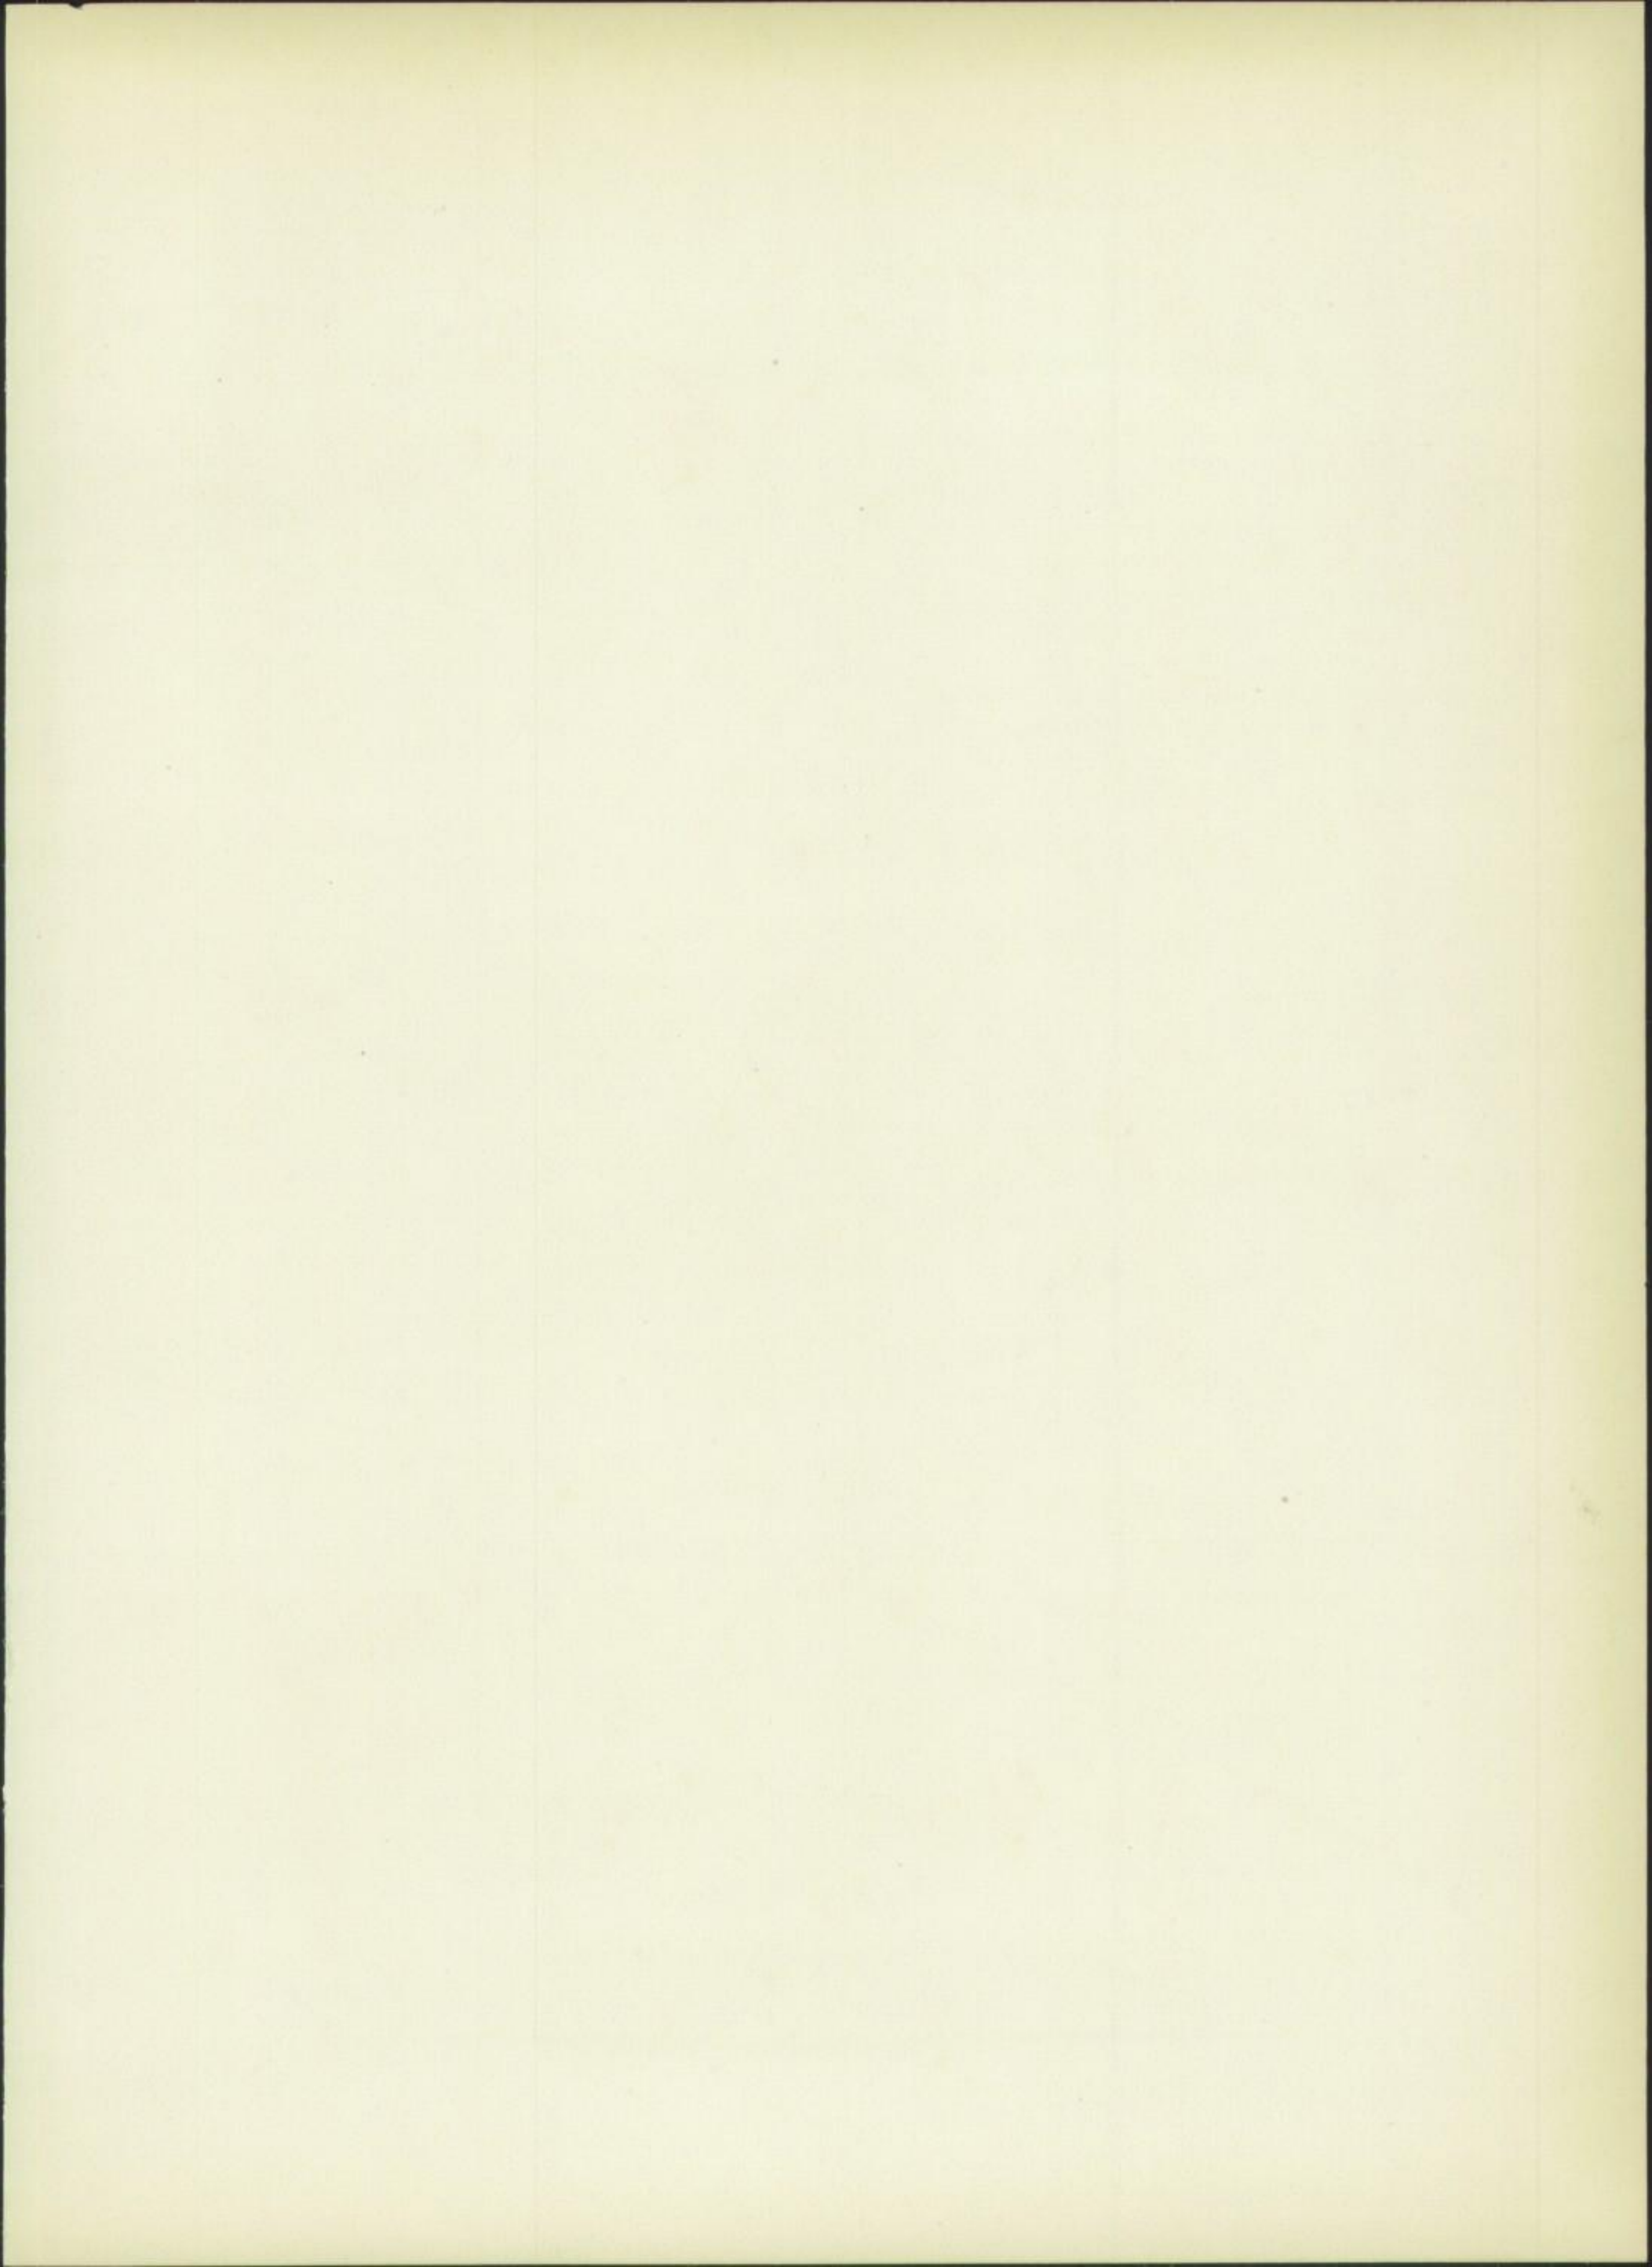

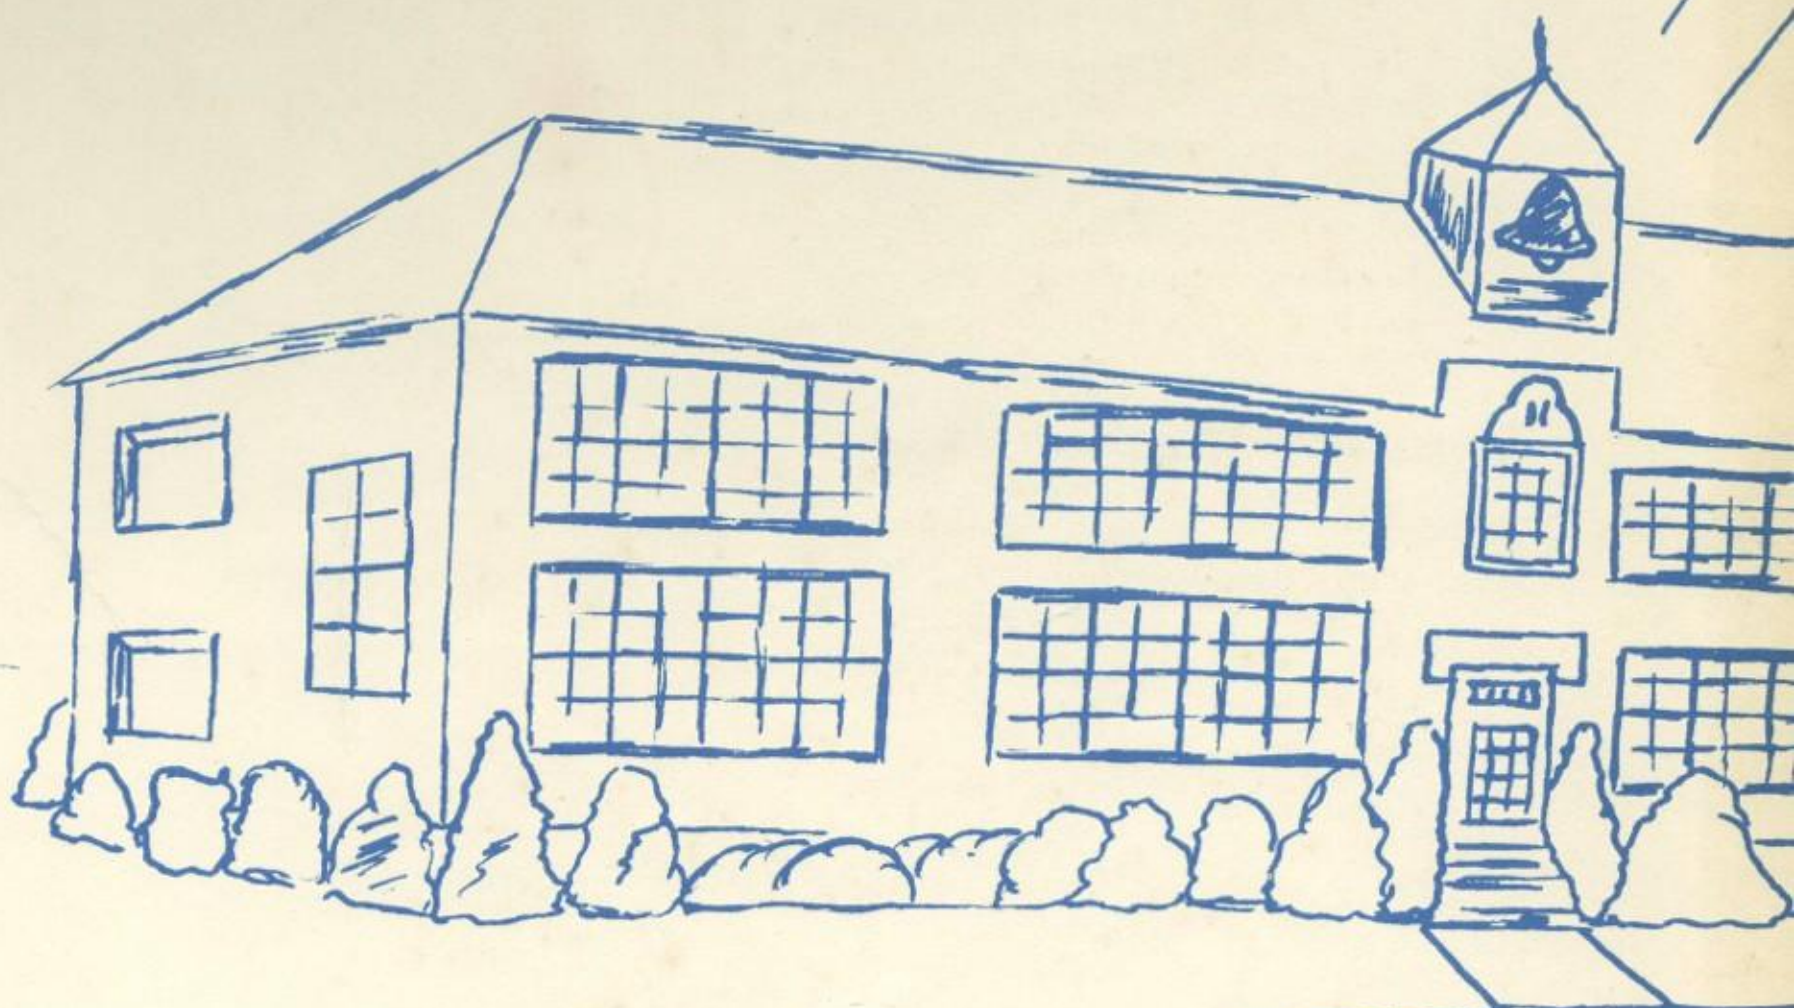

Whenever The School

Vacations are over as schoolbells ring,
The recess yard is fill'd again
As solemn youths their textbooks bring,
New lessons to explain.

Silence reigns at the swimmin' hole,
Cool waters keep flowing on:
In the woodshed hangs a fishin' pole,
The hook an' line are gone.

When classes cease an' study's done
There is heard a gleeful shout,
As out the door the youngsters run,
When teacher says, "School is out!"

Bells Ring

Time passes on, it goes so quick
When there's lessons to be read,
To solve hard problems in 'rithmetic
'For it's time to go to bed.

It's early back to school to go,
Thinking of the swimmin' hole—
Of brooks an' streams where waters flow,
An' the idle fishin' pole.

Fond memories of a past vacation
To a busy mind still cling,
As the heart records a strange sensation
Whene'er the schoolbells ring.
